Android Studio • Software Development Life Cycle

WORK EXPERIENCE

The Society of Flavor Chemists

Web Designer & Developer // Sept. 2018 – Present

Redesigned the Society of Flavor Chemists website to visually enhance the overall look of their current website. Communicated with the client, organized a project schedule, and presented multiple design mockups to the Board of Directors. Currently developing the website from the selected design.

Inside the Rain Feature Film

Art Production Assistant // July 2018 – Aug. 2018

Assisted the set decorator and the leadman with organizing, prepping, and building sets. Managed and budgeted numerous pick ups in NYC for the art department.

Uncle Peckerhead Feature Film

Art Production Assistant // June 2018 – July 2018

Collaborated with the production designer and director in planning and coordinating all sets, props and wardrobe for each scene and setup. Demonstrated ability to problem solve and prioritize a high volume of responsibilities.

PROJECTS

Kitchen Help iOS App

Lead UX/UI Designer // Jan. 2018 – May 2018

Designed an iOS application where users can make recipes based on ingredients that they already have in their kitchen. Collaborated as a team in conducting research, defining requirements, coding in Swift, and testing our app. Launched the app in Xcode.

LEADERSHIP

NCAA Division I Softball

Full Scholarship Student-Athlete, Team Captain, Coach // Sept. 2014 – May 2018

Devoted 20-30 hours per week including practice, competition, strength training, conditioning, and meetings while carrying a full course load. Led the team as a captain to the program's first NCAA Regional (top 64 teams in the country). Coached softball players aged 12-18 at Monmouth Softball Clinics.
